

INTRODUCING...

# My ONE CHART

## Your Northside Network

**Northside Hospital** offers our patients easy and convenient access to their personal health information via Northside's **MyOneChart** secure online portal.

**Through our Northside **MyOneChart** patient portal, you will be able to:**

- Request an appointment
- Request prescription refills
- Securely and easily manage your health care online
- View recent laboratory results
- View radiology reports
- View current medications
- List current allergies
- View immunization records
- Review clinical summaries of your recent visits with us

**To register, simply**

**1:** Respond to registration email sent to you

**or**

**2:** Visit us at [Northside.com/MyOneChart](https://Northside.com/MyOneChart)

*If you would like to connect to **MyOneChart** utilizing an API tool such as AppleHealth or CorallHealth, please contact us at [MyOneChart@northside.com](mailto:MyOneChart@northside.com).*
